**Annual Quality Assurance Report (AQAR) of the IQAC
D D U Gorakhpur University Gorakhpur - 273 009
Year of Report: 2012-2013**

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (*Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013*)

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths:

- It is fifty seven year old institution providing higher education to students through its own residential campus and more than three hundred fifty affiliated colleges, to the people of North Eastern region of Uttar Pradesh and North West Bihar.
- University has an infrastructure which has been registering its growth continuously. It has a good track record of academic achievements and culture.
- The present academic faculty available to the university is competent enough.
- 24 Hrs. Power supply, alternative power supply by Generators.
- Application of solar energy for Road Lights in Campus.

Weaknesses:

- Academic posts are lying vacant.
- Non teaching posts are also lying vacant.
- Increasing pressure for admission to various courses.
- Want of sufficient support of funds from the State Governments.
- Absence of Agriculture teaching in the campus.

Opportunities:

- University serves to a region which is substantially based on agriculture. Hence, there is a scope of expansion of agriculture education.

It will enhance, if teaching of the agriculture as a subject is commenced in the residential campus, the employability of youth may be encouraged which, in turn, may result in to the development of agro based small scale industry.

- The region is less developed in terms of industries. Expansion of skilled based courses will be desirable in the light of expected growth of business and industry under the Government's ambitious plan implemented through Gorakhpur Industrial Development Authority (GIDA).

Threats:

- Good results are subject to administrative and financial support from the State Government and various agencies providing development grants.

In the light of above analysis university wishes to commence various new courses under SFS and Start the teaching of agriculture as a subject at U.G. and P.G. level subject to availability of land.

8. Plans of institution for next year

- Planning for strengthening the computer centre.
- Provide Internet access to hostels
- Provide a lap top to all teachers & officer of the university to make them computer savvy.
- Increase the use of ICT to make paper less administration to an extent, it is possible.
- Inspire girls & children towards Science Education by having and making the science museum operative.
- Establish a strong relationship with the industry.
- Establish teaching departments under the faculty of agriculture in the residential campus.
- Have a strong feedback and information system with the use of ICT.
- To make the university Alumni more effective.
- To constitute Parent Teacher Association.
